# Introduction

**B**TC GROUP is a full service agency providing market and social research solutions, management training and strategic planning services for enterprises. Our passion lies in understanding and simplifying the complex and interconnected social and business environment you operate in with the aim of providing you with unmatched insights across myriad industries and markets in Africa.

With a presence in Kenya, Uganda, Tanzania, South Sudan and Rwanda, industry leaders in Financial Services, FMCGs, NGOs and SMEs continue to trust our expertise to guide investment decisions, venture into new markets, evaluate growth, assess impact of social investments, implement market and brand positioning, develop products and gauge customer and staff satisfaction.

We are driving performance and growing brands by empowering enterprises to identify opportunities and innovations in the marketplace and deliver compelling customer propositions. The strategy component of our service offering affords you with a 360° solution by translating business intelligence into actionable outputs.

We serve the needs of medium and large for profit and non-profit organizations. We enable organizations establish deep connections with their target audiences and offer solutions that foster strong emotional connections that enhance internal and external customer experiences. Our primary focus is on Market and Social Research which brings insights to guide key business decisions in the boardroom. Our customized training empowers internal teams to passionately deliver the brand promise.

## Mission

---

We help organizations to build profitable relationships with their target audiences by providing Market and Social Research, Strategic Planning and Management Training Services.

---

## Vision

---

delivering  
passionately!
